Responsive School Website Design

HIGH IMPACT. FEATURE-RICH.

With most parents, staff and students accessing websites on the go, a responsive school website design is now a necessity in today's digital climate.

Haqqman Agency develops responsive school websites that are able to adapt to any screen size (desktop or mobile). We ensure a smooth user experience and implement the most effective user interface and features.

Together we can balance strategy, creativity and experience to create a beautiful online presence for your school.

Feature-rich school website that meets all your requirements

Highly responsive design tailored to your school

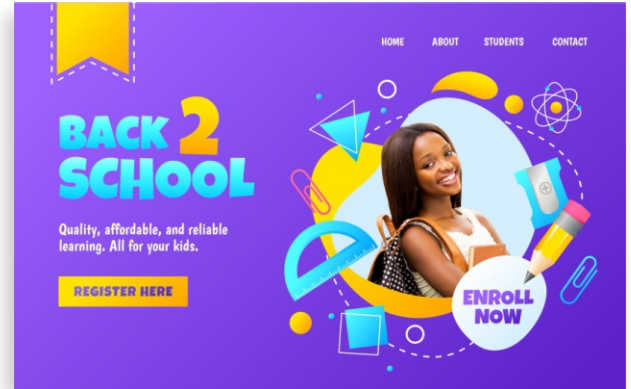

A sitemap incredibly easy to navigate

Unrivalled on-going support

School Management Software available on request

School Social Media Setup

Get off on the right foot.

Social Media is a powerful and effective tool for showcasing your school features and offers, and **69%** of parents are more likely to patronise your school if you are present on relevant social platforms.

☒ LinkedIn ☐ Instagram

☐ Facebook

Let us save you both time and energy by establishing your social media presence.

Whether you already have your accounts set up or are starting from scratch, our social media experts will build your online presence to achieve a professional, authentic look and feel that will get you results.

FOR ONLY

₦30,000

- ▶ Create profiles on up to four platforms for maximum visibility
- ▶ Design custom cover images, Instagram highlights, and implement profile avatars
- ▶ Optimize each profile bio to showcase an overview of your school features
- ▶ Ads account setup
- ▶ Create Linqman profile to promote your school using one unique link

Social media monthly management plan is available on request.
